

We'll never find Bible Junior without your help!

We can't find Bible Junior anywhere. He usually disappears just before a Crusaders show, but this time he's really disappearing! We need our little adventure bible, can you help us? Color Bible Junior so we can find him. Remember, Bible Junior is full of the good news of Jesus. When you become his friend, you'll want to share the good news with everyone!

Little Crusaders thank God every day in prayer.
